Minutes of the meeting of **Borough Green Parish Council** held in Borough Green Village Hall on **Monday 5th September 2022** starting at 1930. The meeting was recorded to ensure the accuracy of the minutes
Present: Cllrs Taylor (Chairman), Shaw, Millener, Perry, Wray, Reading, Ramsden, Butterfill, Rothwell, Rawsthorne, Ms Bartlett & the Clerk

Cllr Rayner (KCC) & Cllr Palmer were present, and 8 Members of the Public.

Chairman thanked Members for the agreement to fund the car and undertaker to bring Alec Broad's ashes through the High St in procession, which allowed a huge number of the Public who could not attend the Memorial Service to pay their respects to a real Village Character who will be deeply missed. The Family thanked the Village for their support during a difficult time.

098. Apologies for Absence Cllr Simpson

099. Declarations of Interest Chairman -cheques

100. Minutes of the meeting 8th August 2022 AGREED as a true record

101. Matters Arising None

102 Submissions by County and Borough Members

Cllr Rayner spoke about the Bus Subsidy cuts, and that the worst predictions had not come to pass, but he was closely monitoring the situation. He would be supporting the PC's efforts to get KCC to address resurfacing and gully/flooding problems on the A25/A227. **Cllr Palmer** spoke about the Bus Cuts and the impact on Plaxtol. Both left at 2000 to allow time for the large public presence

and Members of the Public

Chairman moved Items 105 (iv) & (v) to allow 15 minutes public participation.

Several MOPs complained about ASB in the Rec, and asked for removal of two picnic benches. Clerk was liaising with the Police to increase patrols, and we were reviewing extra CCTV. Chairman advised that the 4 benches and bins were installed by Young People in 2004 to combat serious ASB at the time, and that removal was not a simple matter. The ASB was not caused by the benches, but it was agreed to seek costs of moving the benches and report back, and defer any decision until the next meeting.

MOPs complained about flooding issues at the Red Lion. Chair reported the intervention of Southern Water who would be CCTV-ing their system, examining the source of the excess water from Tilton/Staleys, and inspecting the other flooding issue on Sevenoaks Rd and the A227 Wrotham Rd.

Cllrs Millener & Shaw asked for removal of the ban on adult football in the Rec. Chairman noted that the ban had been introduced because of ASB, it was prevalent again now, that the Rec pitch was too small for adults, and that BGJFC intended to progress their youngsters through to develop an adult team instilled with the BGJFC ethos who could play at Potters Mede on the full-size pitch.

Cllr Perry proposed retaining the ban, AGREED 5-4

An MOP raised concerns about nighttime HGVs using Quarry Hill Rd, and Hazelbourne residents illegally turning right onto Darkhill Rd. Chairman advised that the 7.5 tonne violations were a Police matter, and that Hazelbourne residents would eventually work out that Darkhill/A25 was the quicker way to get to the Village Centre.

Chairman asked that MOP to tell her friends on Social Media that the PC had listened to residents justifiable concerns, and had democratically agreed to act where they could.

The public left the meeting at 2050, and Chairman called a short break until 2100

109 TMBC Local Plan & Policies

- (i) Consultation launched 15 Sept for 6 weeks - 1300 pages highly complex
- (ii) Meeting with Cabinet Member & Director of Planning and Leader and PPP. Chair supports TMBC's plan to develop the Plan from public consultation, rather than "impose". This will mean a lot of work to educate and persuade the public to participate.

110 Highways & Streetlighting

- (i) Rec Crossing - timing reset, 20mph in hand
 - (ii) KCC Baskets & Lighting - costs of "safety checks" and permits. Every time we seem to approach an agreement with KCC they move the goalposts. Commando Sockets £5412 Free from KCC, but we would have arrange 41 installations by UKPN, have separate power agreements for each column, £3930 for isolator timers, on top of the £3600/£1750 for annual safety checks & permits, they want payment for another 12 load tests, and we won't be allowed a Hanging Basket and Xmas Light on the same pole. We also know from other Parishes that KCC come back with fresh "repair" bills every year. It seems very likely that KCC will kill our proud tradition of Christmas Lights and Hanging Baskets. Chair proposed a "summit" meeting between the PC and the Lights Cttee, KCC invited, to decide a way forward if one exists
- Cllrs Reading & Rothwell left the meeting 2200

Some hirers suffered significantly during Covid, going into debt, and struggling to get their numbers back up. The Clerk assisted the Hall obtain Covid Government grants, and believes that benefit should be passed on to hirers. The PC supports the Hall by being a major hirer, and gives grants from time to time. Chair/Clerk to write to the BGVHMC asking them to reconsider.

APPENDIX 1

Cllr Simpson's Report:

Good open friendly discussion with lead GP (Paul Unwin)

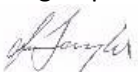

We made progress on some details on how the surgery would plan to use the space for parking etc

Councillors concerns about public resources being used to support 'private enterprise' were aired and understood
A suggestion that the surgery pays some rent for the space was discussed and is to be progressed. PU interested in long term arrangements rather than yearly reviews etc.

There is no urgency so there is time to properly deliberate, at least 5 years before expansion is needed

Next steps : Ian to draft up a proposal and discuss with councillors, scouts and surgery

We also talked about improving interaction between social prescribing and BGPC. Paul Unwin +ve about that and willing to provide contact details etc. Ian to progress. Contact details arrived today
