1: To which **part** of the Local Plan does this representation relate to?
This is important as it will be assessed by the Planning Inspector against the stated policy/section/site allocation. Reminder: If you would like to comment on more than one matter in the Plan, please complete a separate Form B for each matter you wish to make a representation on. We appreciate this takes additional time, but the Inspector requires comments to be submitted in this format.

Which Chapter or Annex does this representation relate to? (e.g Chapter 4)	Chapter 14 Allocations BG1 Chapter 13 Infrastructure, Highways, Foul Drainage
Which paragraph or Policy or aspect of the Policies Map would you like to make a representation on? (e.g Paragraph 4.1 or Policy CC1)	Multiple relevant

Undeliverable within the Local Plan Time Frame, lack of infrastructure provision. See Attached Highgate Report

Question 4: Do you consider the Local Plan to be sound? (Please tick)

Yes		No	✓	Unsure	

5: If you do not consider the Local Plan to be sound, please specify on what grounds (please select one option).

Positively Prepared		Consistent with National Policy	
Justified		Unsure how to answer	
Effective	✓		

6: Please provide your comments here. Please also provide a summary of any attachments, such as supplementary evidence, submitted alongside your representation.

Planners adjusted the evidence to suit their support for the allocation rather than using the evidence to decide the viability of the Application, The attachment sets out the problems with deliverability, highways and sewage

7: Please set out any modification(s) you consider necessary to make the Local Plan to be legally compliant or sound as relevant to the matter you have identified above. Please state why the modification you suggest will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The biggest problem for the soundness of the TMBC Local Plan is that its largest site is undeliverable, which then makes the whole plan unsound

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions. This is because, after this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

8: If your representation is seeking a modification to the plan, do you consider it necessary to participate in the examination hearing session(s)? (Please tick)

No, I do not wish to participate in the hearing session(s)	
Yes, I wish to participate in the hearing session(s)	✓

9: If you wish to participate in the hearing session(s), please outline why you consider this to be necessary?

It is clear TMBC Planning Officers are unwilling or unable to present the actual evidence that will decide the deliverability of the Site. The only recourse is for the Parish Alliance of Wrotham Borough Green, Ightham and Platt to make their own presentation to ensure the Inspector has all the relevant evidence to guide their final decision.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in the hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination. If you wish to participate in the hearing, please ensure that you have provided your telephone number in Form A.
