

# Welcome to your weekly update from Tonbridge and Malling Borough Council

## 19 June 2026

### Earlier waste collections during hot weather

Due to the current hot weather, waste and recycling collections will start earlier than usual (from 6am).

Please make sure your bins are out for collection the night before, or by 6am at the latest.

### Tonbridge mini-golf refurbishment

Work is underway to refurbish the mini golf course at Tonbridge Racecourse Sportsground

The area has been securely fenced off while the improvement works take place over the coming weeks, the course will be refurbished as part of a planned upgrade.

We're aiming to have the refreshed mini golf ready in time for the summer holidays, perfect for families and visitors looking for something fun to do locally.

We'll be sharing updates and as the work progresses, so keep an eye on our social channels to follow the transformation!

## Parking payment scam

A local resident recently reported receiving a text message shortly after paying for car parking. The message linked to a fake website designed to look like a legitimate parking provider.

These messages can appear convincing and often suggest that you still owe money or need to make an urgent payment. In some cases, they are timed to arrive soon after a genuine parking session.

The site has now been taken down, but this type of phishing scam may continue.

You can report a suspicious text message to the National Cyber Security Centre by forwarding it to 7726 (this is free). You can also report scams via their website.
